

# ENDURO RULES 2022

1. Any stock 4 or 6 cylinder front wheel drive vehicle.
2. Left side door protection and rollover bar behind driver's seat allowed.
3. Doors must be welded or chained shut.
4. Bumpers must remain stock. No excess welding, no extra material to extend outside of bumpers. No push bars on front bumper.
5. All glass must be removed with exception of windshield. No broken glass left in car!!! If windshield is removed, 4 - ½ inch (min.) bars must replace windshield with wire mesh. Sun roofs removed and covered with 1/8" steel or aluminum.
6. All headlights, taillights, turn signals, mirrors, trim and chrome must be removed. All flammable material must be removed. Plastics, floorcoverings, head linen and extra seats, etc.
7. No gutting of structure of chassis or doors. If any structure of chassis or doors is removed, must have full roll cage, 4 point, halo, door bars and kickers to the back ie: IMCA type roll cage.
8. Window net highly recommended. All other window openings must remain open (except windshield if applicable).
9. Seat belts and shoulder harness are mandatory. Factory seat allowed, but aftermarket seat encouraged. If stock seat is used, hoop behind seat should also support seat.
10. Stock OEM wheels only, steel or aluminum. No aftermarket/racing rims. Dot tires only. No racing tires. Tires must be same size side to side, but may be different front to back.
11. Firewall must remain closed off between driver's compartment and engine compartment.
12. Battery may be moved, but must be enclosed in battery box and securely mounted.
13. Motor must brand of car (Honda must have Honda motor). Motor must be stock appearing.
14. Must have stock rear and front suspension parts.
15. One radiator per car in stock location.
16. Gas tanks located above and in front of rear end, should not be relocated. Relocated tanks from behind rear axle must be securely fastened and covered from driver. No gas spouts, tanks may be of plastic or metal marine tanks. Tanks behind rear axle should be relocated.
17. No superchargers or turbo allowed.
18. No passengers allowed.
19. Full containment seat is strongly recommended, properly mounted with 5-point harness.
20. No radio communication allowed.
21. No scorers needed. Transponder mandatory. Raceceiver mandatory. Also legible car number 24" tall mandatory.
22. Drivers must have approved:
  - A. Helmet, SA 2005 or newer is recommended.
  - B. Minimum single layer fire suit SA 32A specs & gloves.
  - C. Fire extinguisher strongly recommended.
23. K Promotions has final ruling on all questions of legality. A pre-race inspection will be made to ensure safety only. Questions of legality can and will be answered during pre-race inspection. No guarantee of legality shall be expressed or implied during pre-race inspection. Legality will be determined in post-race inspection.
